

**AIM :- Identify one real phishing email :**

**A final-year student, Aman, receives a LinkedIn message saying:  
“You are shortlisted for a Remote Software Developer role at Google.**

**Salary: ₹18 LPA.**

**Pay ₹2,499 as verification fee.**

**Limited seats. Pay now to confirm.”**

## **ANSWER THE QUESTIONS :-**

### **A) What type of cybercrime is happening here?**

**This is a phishing scam and job fraud, where scammers pretend to be a real company to steal money or personal information.**

### **B) List 3 red flags that show it is a scam?**

- 1. Asking for money (₹2,499 verification fee) – No real company charges money for job hiring.**
- 2. Unrealistic offer (₹18 LPA without an interview) – Genuine companies never select candidates without a proper hiring process.**
- 3. Urgency (“Limited seats. Pay now to confirm.”) – Scammers create pressure so that victims act quickly.**

### **C) What should he do to verify if a job offer is real?**

- 1. Check the official company website and careers page (Google Careers).**
- 2. Verify the sender’s email domain – Real Google emails end with @google.com, not random addresses.**
- 3. Contact Google HR or customer support directly to confirm the offer.**
- 4. Never pay any fee – Legitimate companies NEVER ask for money for jobs.**
