CAREER PRESENTATION

A Presentation on My Career Goals & Future Path

NAME OF PROJECT:
Career Oriented Presentation

PRESENTED BY:
Abhishek Yadav
B.Tech Student

PRESENTED TO:
Aditya Kumar
Rungta University

RUNGTA
COLLEGE OF ENGINEERING & TECHNOLOGY
BHILAI CHHATTISGARH

01 I am passionate about Game Development and love creating creative and interactive ideas.

02 I am learning AI & ML to understand how intelligent game characters and modern game mechanics work.

03 My goal is to become a Skilled Game Developer and create games that inspire, entertain, and challenge players.

02/07

Overview

My name is Abhishek Yadav, a B.Tech AI & ML student at Rungta University. I am passionate about technology, creativity, and game development. I enjoy learning how Artificial Intelligence can make games smarter, more realistic, and more fun. My dream is to become a professional Game Developer in the future..

My Career Roadmap

03/07

A STEP-BY-STEP MAP THAT SHOWS HOW I WILL ACHIEVE MY DREAM OF BECOMING A GAME DEVELOPER.

Learn Programming Basics	Understand Ai & ML concepts
Explore Game Engines	Build Small Games
Improve Creativity & Design Skills	Create a Strong Portfolio
Apply For Internship & Freelance Work	Start My Own Company

Timeline

04/07

Briefly discuss the key dates for the project.

My Skills

05/07

A clear overview of my current skills and areas I am developing.

Skill #1 – Programming Basics

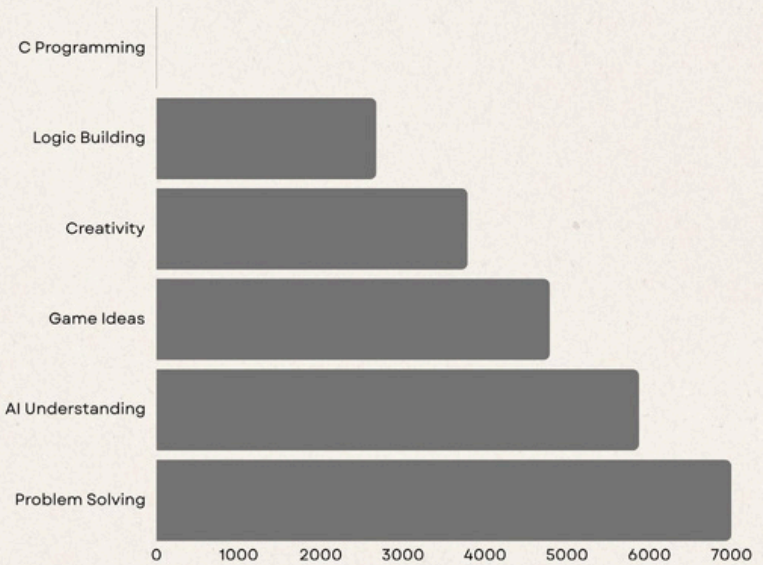

I have a good understanding of C programming and logic building.

Skill #2 – Creativity & Game Ideas

I enjoy creating unique concepts and designing creative game ideas.

Skill #3 – Problem Solving

I am improving my analytical and problem-solving abilities.

My Achievements

A SHOWCASE OF MY IMPORTANT MILESTONES THAT REFLECT MY LEARNING, GROWTH, AND DEDICATION.

Achievement #1 – Global Maths Olympiad

- State Rank: 231
- National Rank: 393

Recognized by Global Olympiad Federation for outstanding performance in Mathematics (Year: 2018). This achievement improved my analytical and problem-solving skills.

Achievement #2 – Internship Selection

Selected for Social Media Marketing Internship at Marpu Foundation through Internshala (2025). Helped me gain experience in teamwork, communication, and digital skills.

Achievement #3 – Completed Online Programming Courses

Improved my coding basics and logical skills through online learning.

07/07

THANK YOU

Thank You

Thank you for viewing my presentation.
Your time and attention are truly appreciated.
