

AIM :-Design a complete Google Form survey and analyze responses.

a) Create a Google Form titled “Student Attendance Report”.

b) Include the following question types:

a. 5 MCQs

b. 1 Rating scale (1–5)

c. 1 Short answer

d. 1 Checkbox question

c) Customize the theme (header image + color).

d) Share the form link with 5 friends and collect responses.

e) Generate charts from responses and take screenshots of the analysis page.

The screenshot shows a Google Form titled "Student Attendance Report – RISU". The header features a logo for "RUNGTA INTERNATIONAL SKILLS UNIVERSITY" and a photo of a building. Below the title, a description states: "This survey aims to analyze student attendance patterns and understand factors that influence attendance. Your responses will remain confidential and will be used for academic analysis only." The form includes two short-answer questions: "Name *" and "ERP ID *", both with "Short answer text" input fields. The form is set to "Published" status.

The screenshot shows the continuation of the Google Form. The first question is "How many classes do you attend on average per week? *" with four radio button options: "1 - 2 Classes", "3 - 4 Classes", "5 - 6 Classes", and "More than 7 Classes". The second question is "How easy is it for you to attend morning classes?" with five radio button options: "Very easy", "Easy", "Neutral", "Difficult", and "Very Difficult". The form is set to "Published" status.
